hallways ... hi there! ... and he comes this way
after fourth period ... will you stop pushing? ... so
if i hurry, i should see him at the corner ... was
that the bell? ... hurry, there he is ... have to go to
my locker ... oh hi, fancy meeting you here ... i
didn't know you came this way after fourth period
... hey, i like your slacks ... uh-oh, dropped a book

you mean, four minutes? ... then i got trampled
... missed my bus ... where'd you get the pretzel?
... sitting on the ledge, doing my homework ...
homework, huh? ... and we took a walk through
the halls ... and we talked ... about quiet things
... a walk in the ... empty ... halls ...

ski trip

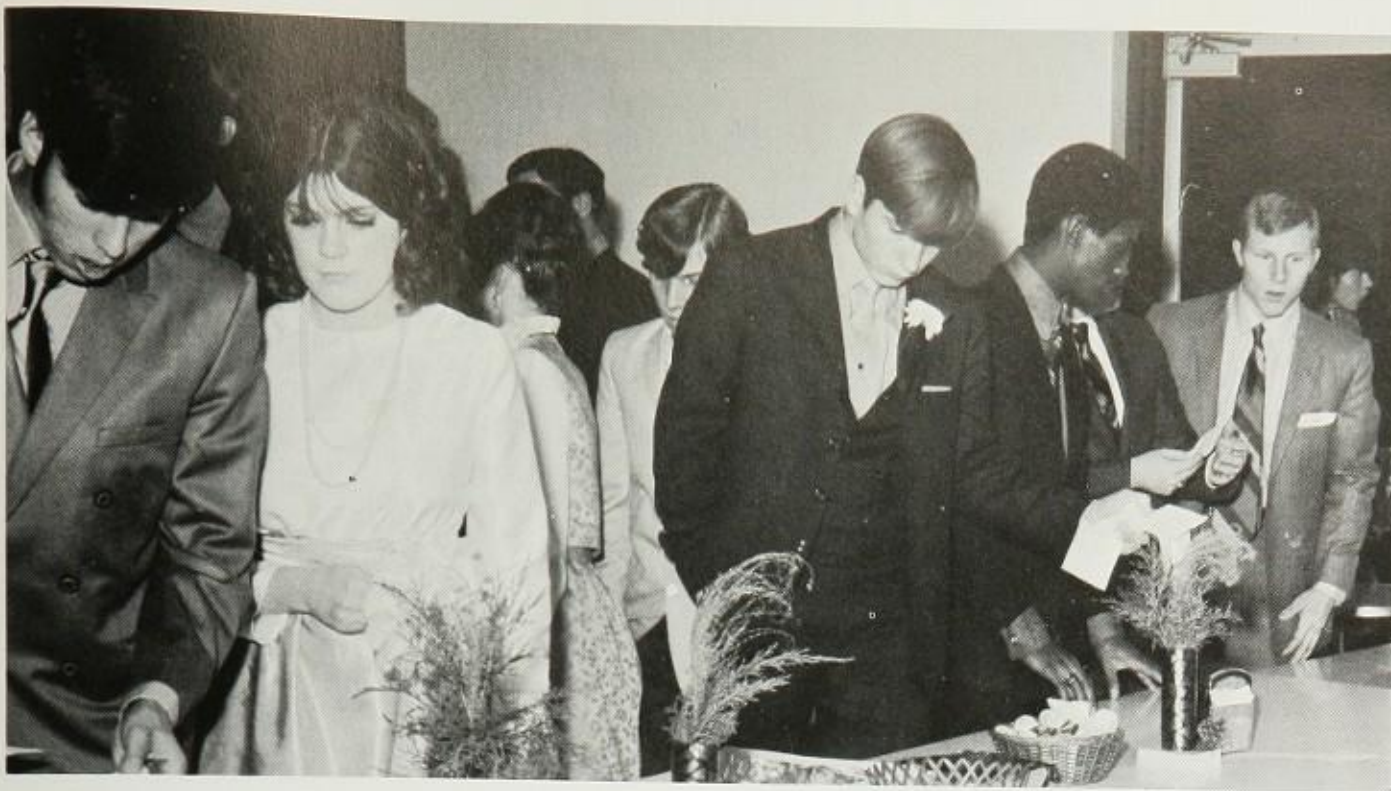

i gotta be there by seven? ... here comes a bus ...
hey, these seats move! ... look, i'll move my own
seat ... we there yet? ... that's it? ... split lock
rodge ... change where? ... but the girls' room is
flooded ... of course i know how to ski ... just tell
me how to put on these boots ... i don't know how
they expect us to carry all this stuff ... didja see the
ski instructor? ... jean-claude who? ... sir, but if i
do that, i'm gonna kill myself ... wouldja stop
laughing, sir, and help me get up? ... up to the very
top? are you kidding? ... what if i fall off? ... what
if i fall down? ... i don't care how low the death rate
is it still looks dangerous ... wow, my skis are start-
ing to move all by themselves ... downhill ... hey,
mister! couldja move? ... fast? ... well, sir, i'm
really sorry, but they didn't teach us how to stop yet
and ... what tree? ... of course i'm all right. i al-
ways lie paralyzed in the snow ... oh, forget it, i'm
leaving for lunch ... gee, skating seems so much
safer ... did she really fall in? ... wanna use the
snowmobile? ... how fast didja say it goes? ... ya
mean its faster than the toboggan? ... c'mon, let's
hurry back for dinner ... their bus must've gotten
lost again ... i'm starved ... are those purple
things giant olives? ... i've always liked grapes, but
... well, i just naturally assumed that the bar was
for us ... but i'm not staggering, sir, i'm dancing
... you leaving? ... i can't find my bus ... the one
with all the smoke ... broke down ... maybe we'll
have to stay here ... what time is it? ... late ... ya
gonna go to school tomorrow? ... are you serious?
... exhaustion ... i'm stiff ... sleep ...

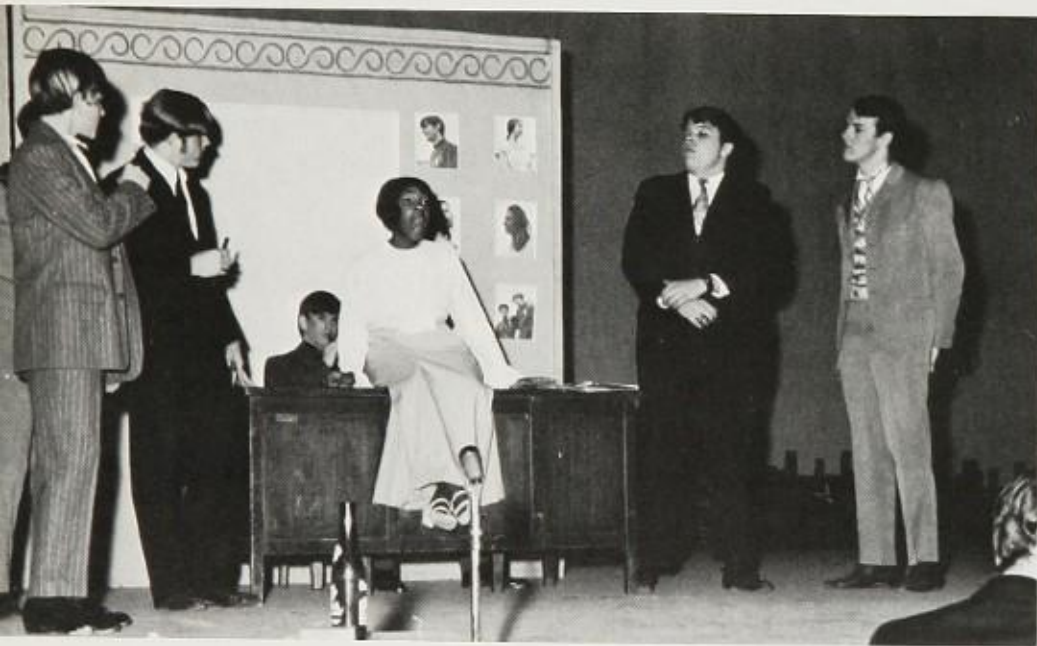

christmas
ball

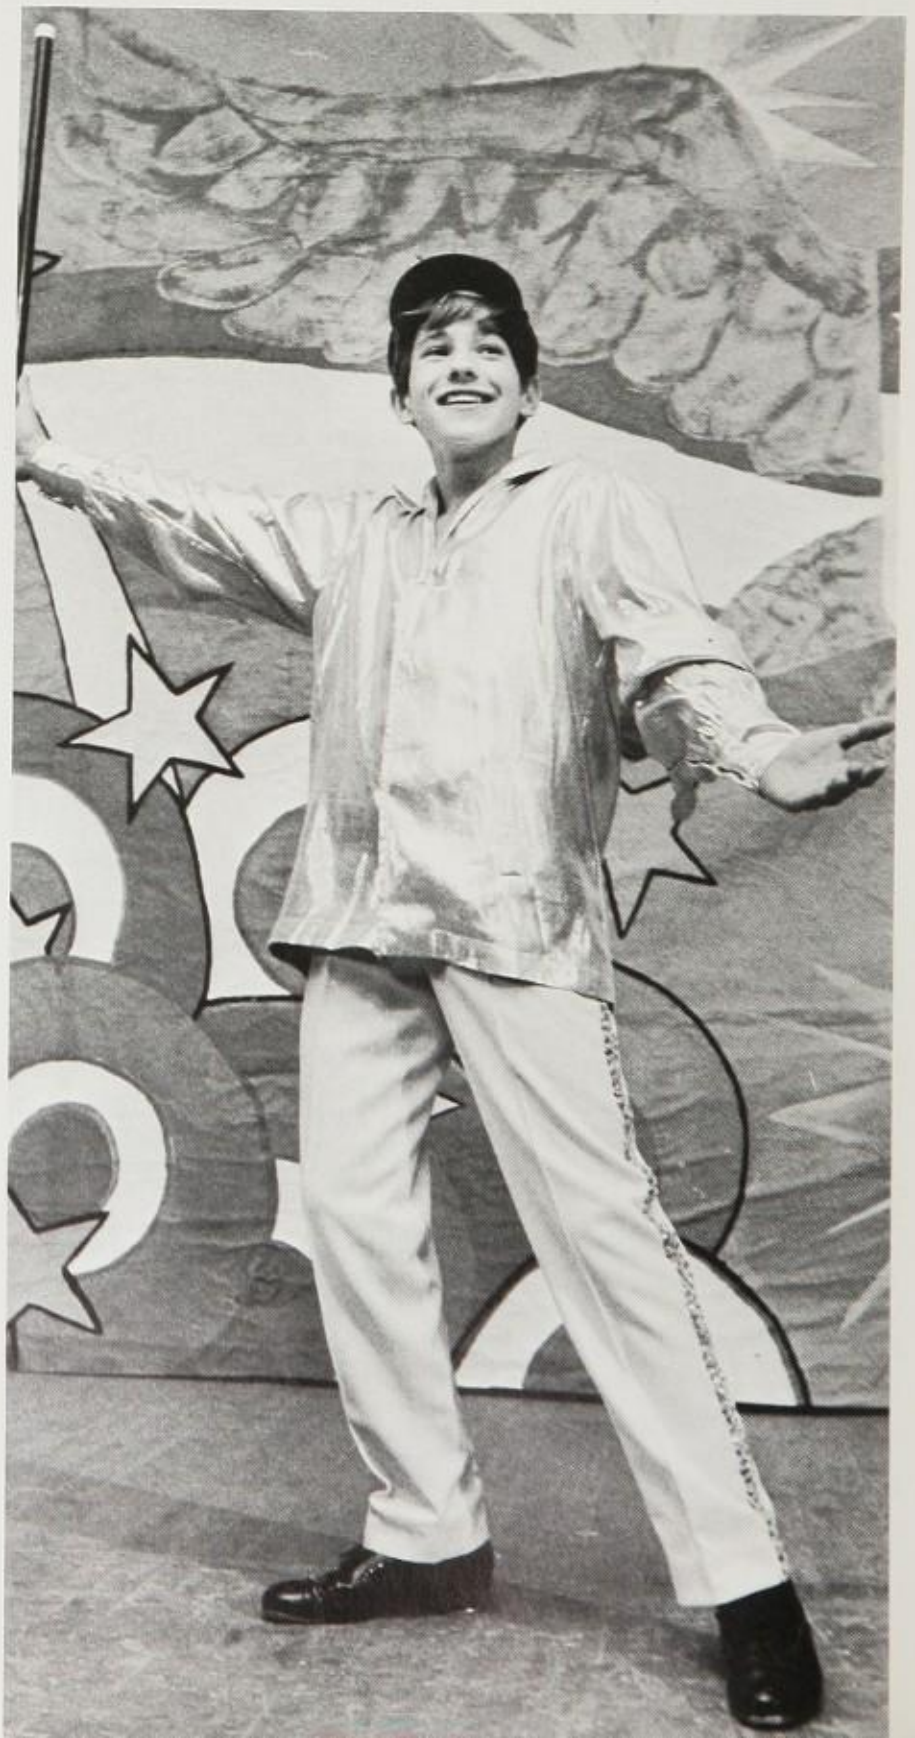

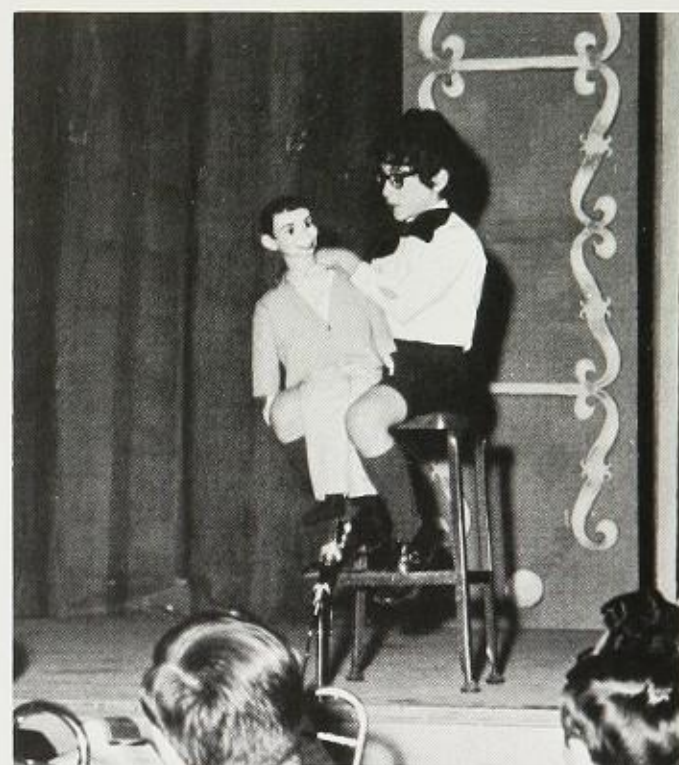

it came upon a midnight clear ... an old
fashioned christmas ... just like ma had
... deck the halls with ... candy canes ...
holly boughs ... unfizzled rootbeer? ...
fala la la la ... la la la la ... a one-girl
committee triumphs ... i saw mommy kiss-
ing santa claus ... jeff boyd? ... ho, ho, ho!
... if you trip in that gown once more ...
stan paff orchestra ... you'd better watch
out ... bah, humbug! ... a merry christ-
mas to all ... and to all a good night ...

participation ... a class
 president ... a school play
 ... making things run ...
 for the students ... for the
 class ... and also ... the
 snake dance around the
 bonfire ... yelling at a game
 ... all this ... but can be
 more ... a piece of wood
 ... a mound of clay ...
 molded and carved to be ...
 an expression of one's self
 ... of one's soul ... partici-
 pation ... not only in school
 ... in life ...

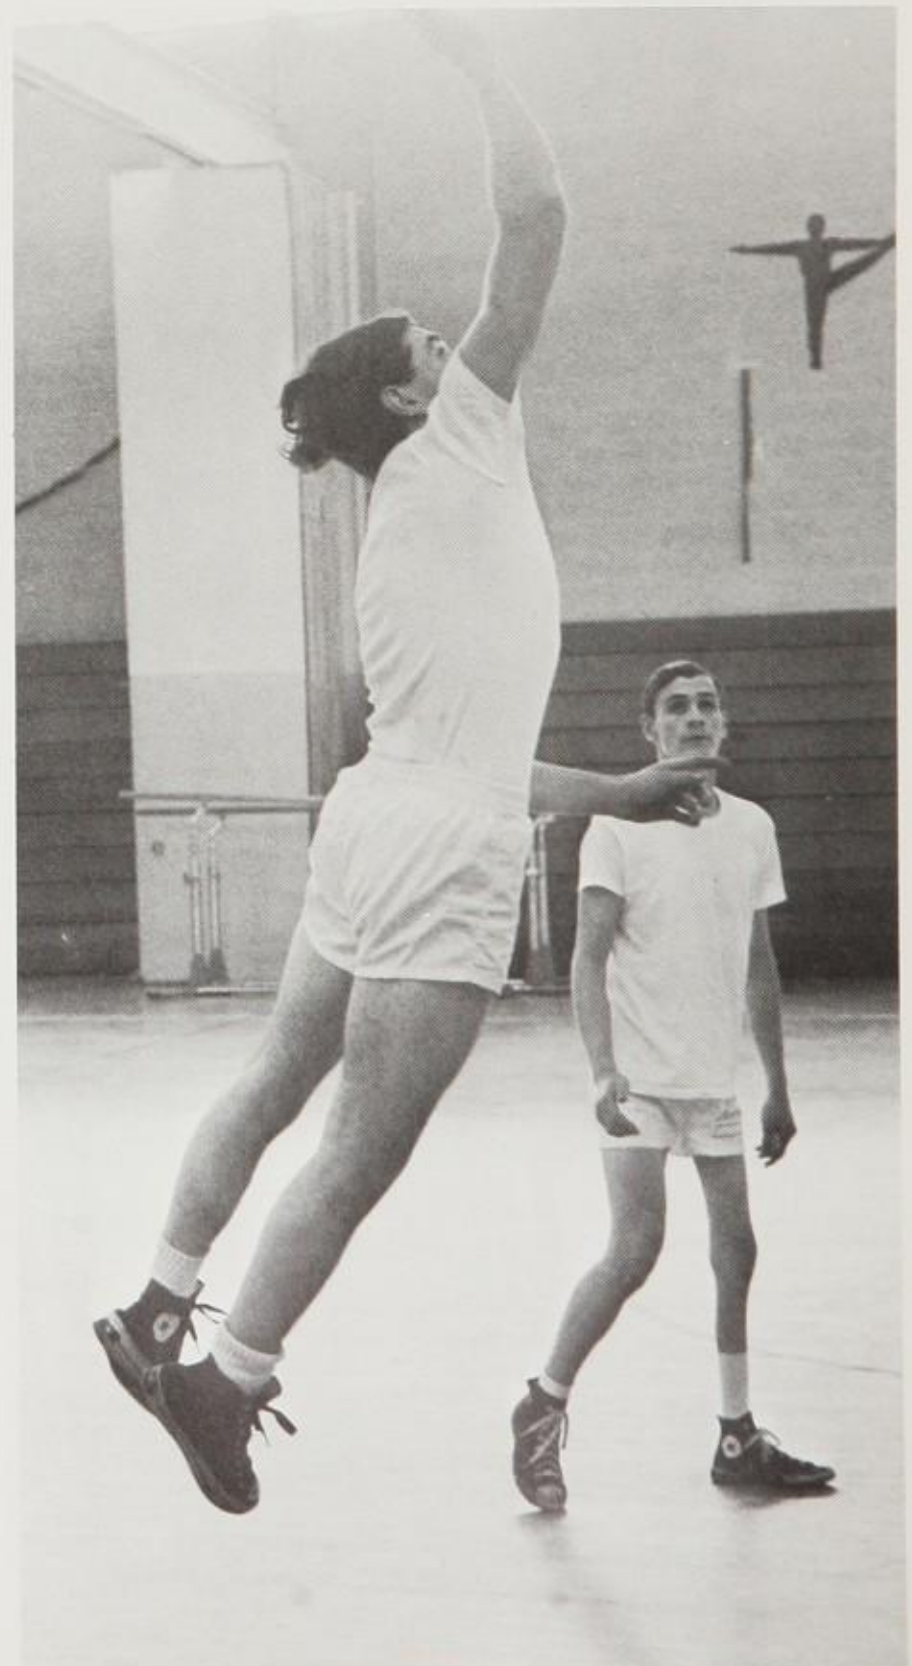

and all of us were eagerly listening to macbeth ...
 what homework? ... and i was walking down the
 hall when zap! run over by the track team ... no sir,
 you must be mistaken ... why would i have ... a
 cigarette?? ... what test? ... hello good friend! ...
 who me? you never talk to me ... hey, i haven't
 seen you for such a long time ... you sure you have
 the right person? last time you saw me in the hall,
 you tripped me ... by the way, good friend, i'm sell-
 ing some boss stationery ... should've known ...

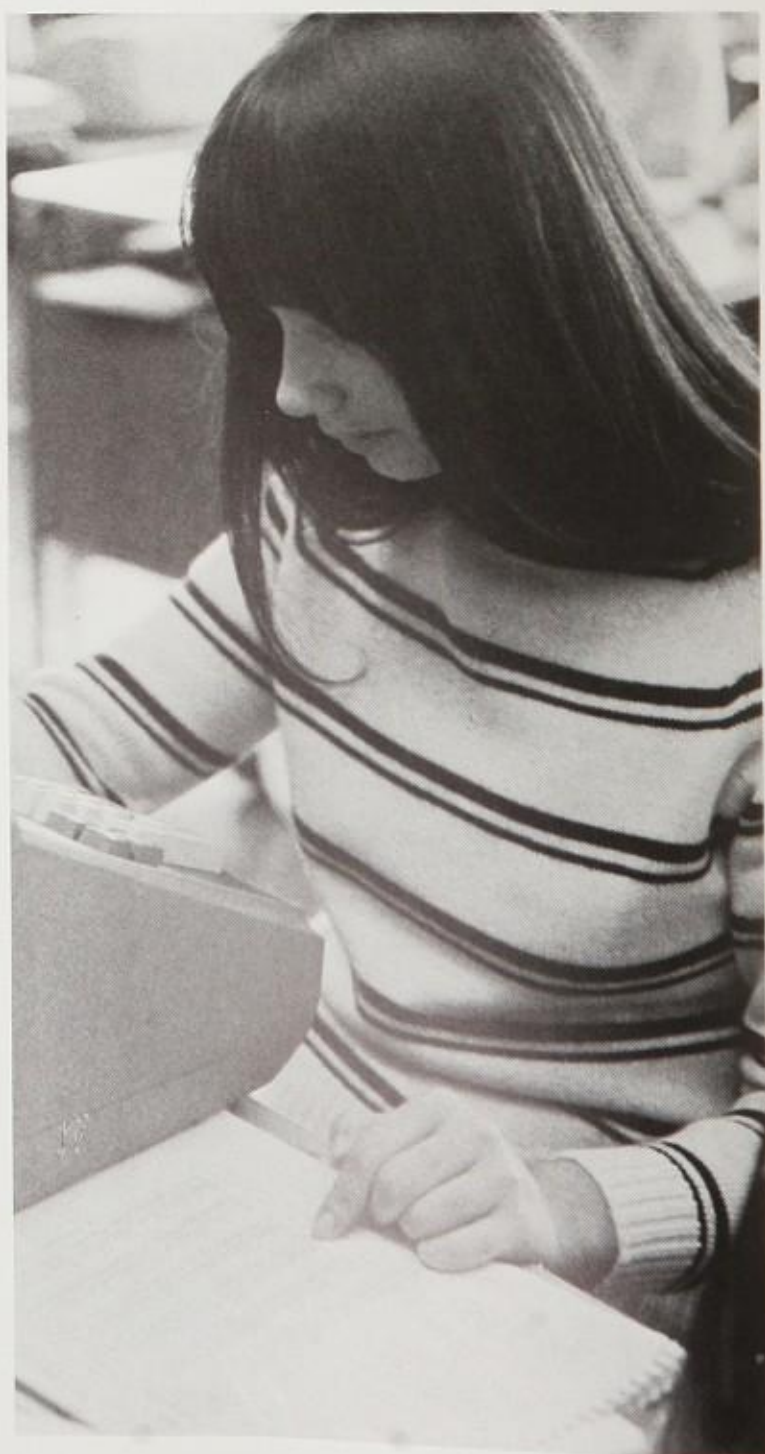

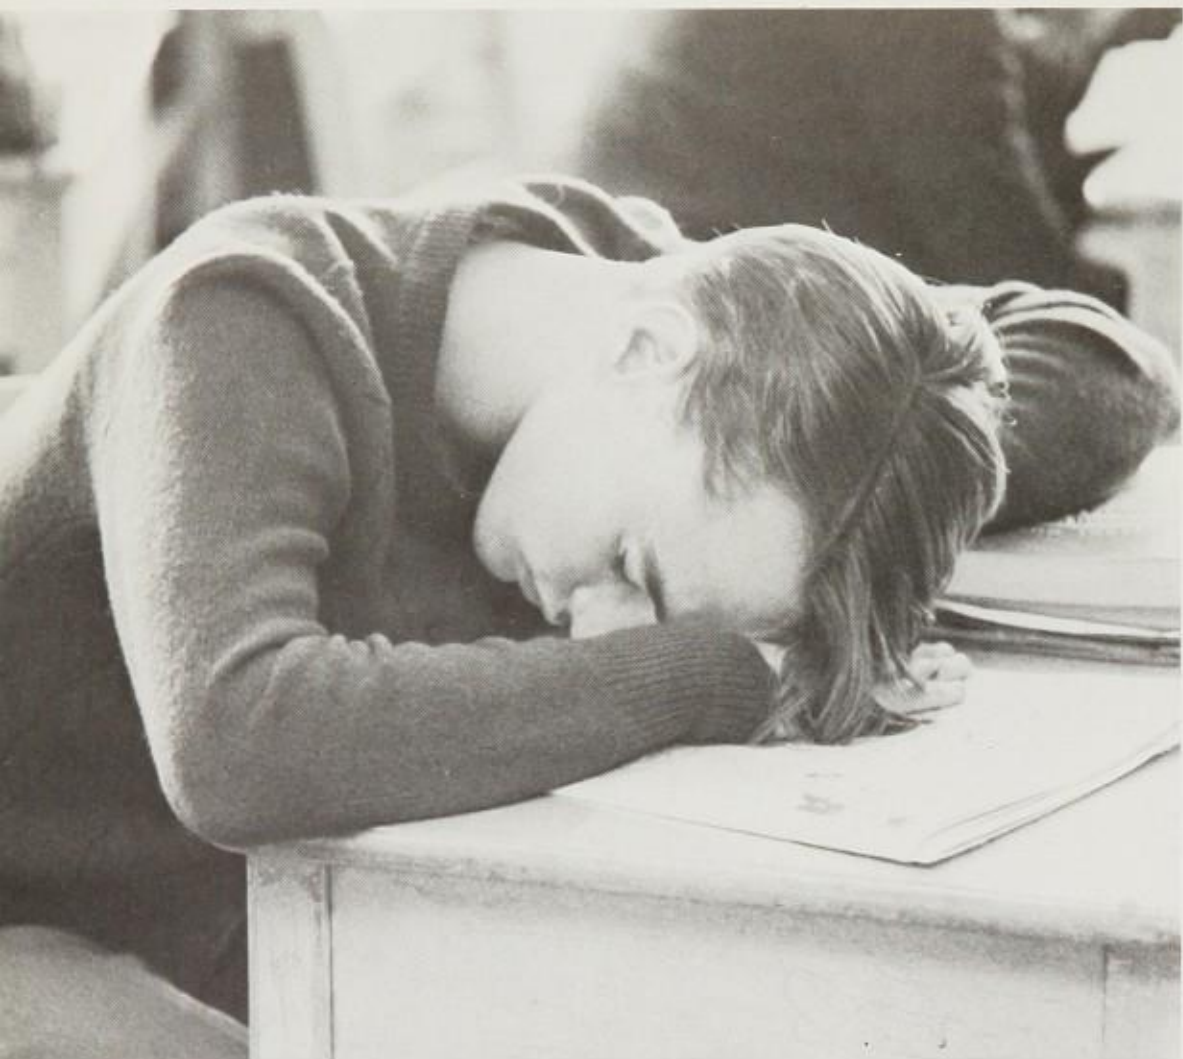

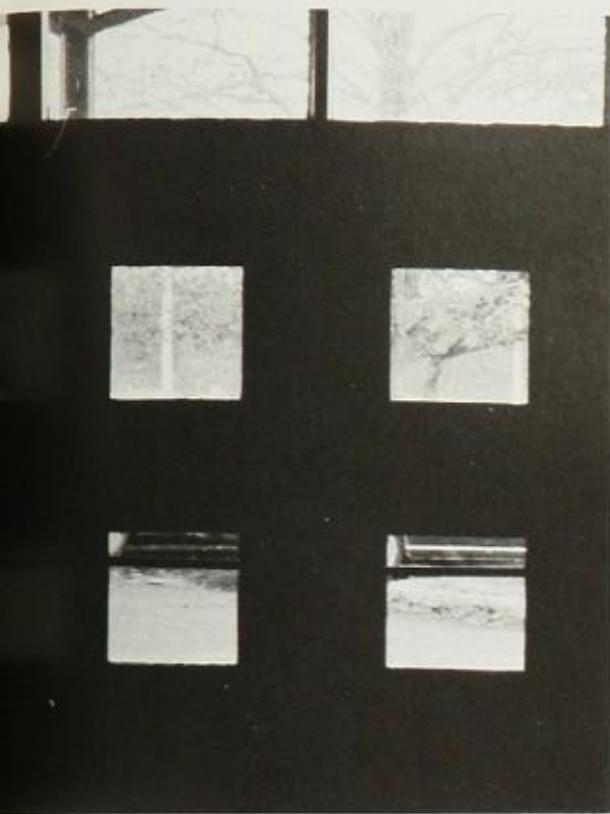

it's gym day again ... volleyball ... with the boys?
 ... but i can't ... not in my ... gym suit ... over
 the net, stupid ... what's the score? ... 14-0 ...
 close game ... what kind of dancing? ... you're
 kidding ... don't have to wear gym suits, at least
 ... have you ever do-sey-do'd with a football
 player? ... mrs. presto and mr. hart ... polka? ...
 how do we always manage to get this square? ...
 allemand right, stupid ... with the hand with the
 ring on it ... if you step on my foot once more ...
 all join hands ... with her? ... forget it ... he's a
 good swinger ... go, mr. cordelli, go ... and back
 to your partner ... i forget who my partner is ...
 are you my partner? ... well, we could always go
 back to ... volleyball ...

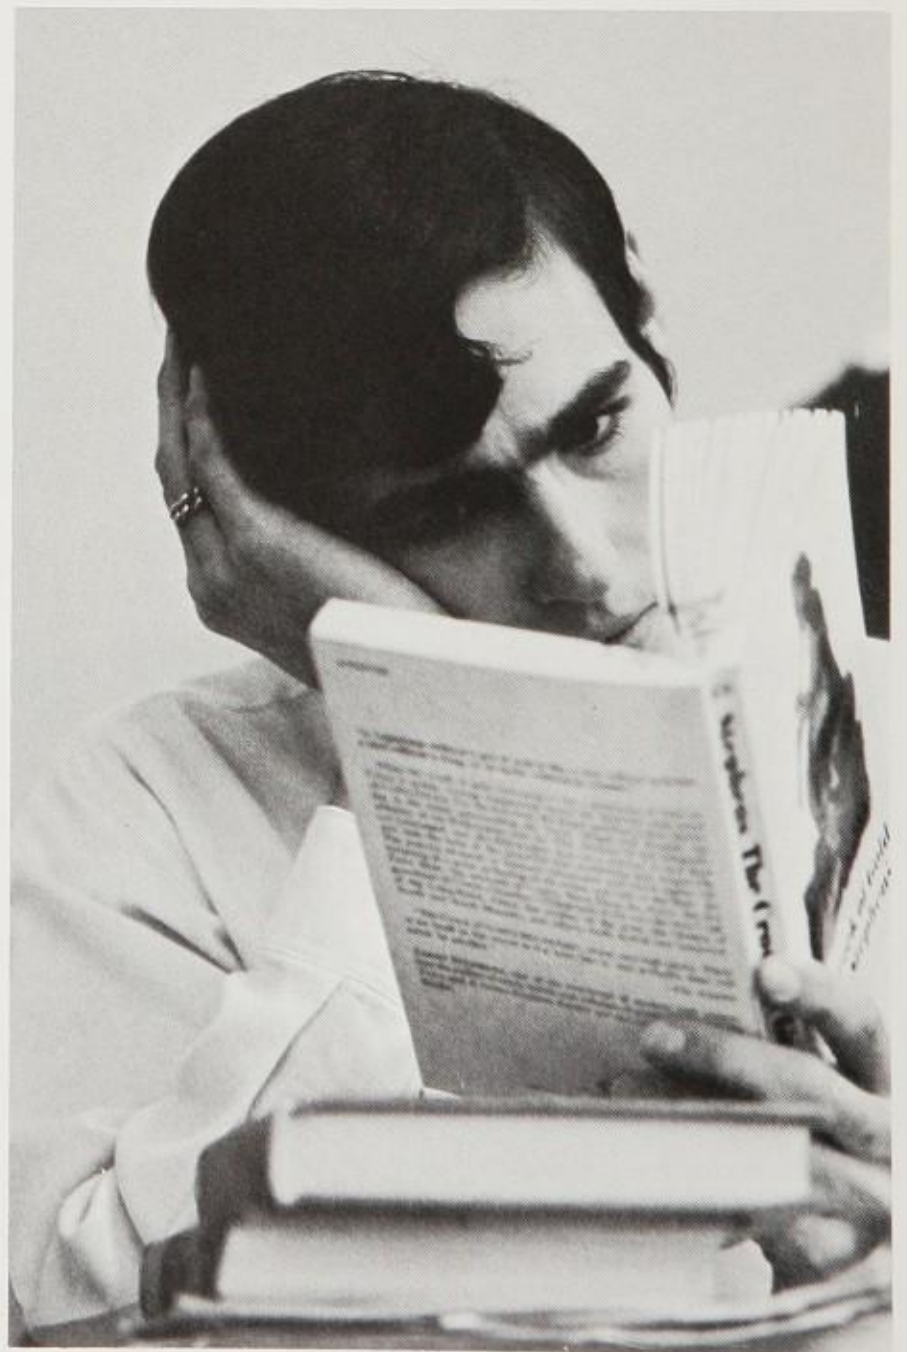

i ran all the way to the bus this morning ... two hours of sleep? ... missed it anyhow ... who me? sleeping? ... chemistry really turns me on ... especially at eight in the morning ... no, i wasn't sleeping ... i'm nearsighted ... have to put my head on the desk to see the book ... what're you staring at? ... indian ... why? ... have an idea ... you? an idea? ... tell me another one ... no, really, for our class gift ... another indian? ... no stoopid, a cigar store ...

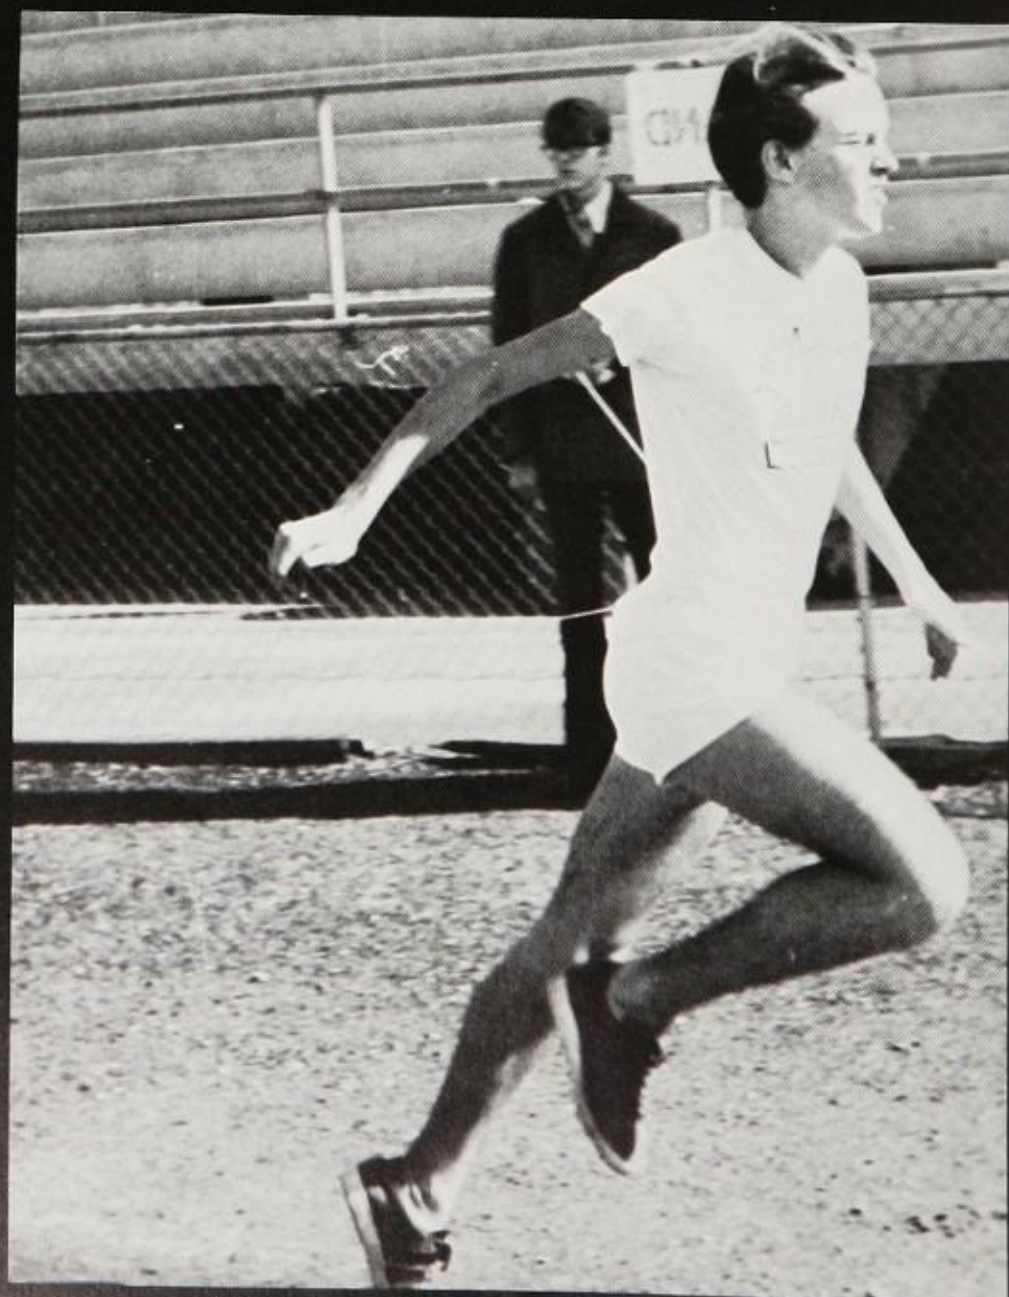

yes, it rained ... though some days that was good ... i mean, who'd want puddles on saturday? ... and instead you had volleyball and basketball and relays ... no hockey or football ... and who can read with the sun shining? ... but some days, was it beautiful! ... twelve years full of overflowing sunshine wasted indoors ... wasted? ... well, i guess not ... yeah, it was pretty good ... the yearbook's not bad ... did you see your picture? ... learned a lot ... in spite of it all ... will probably miss it all ... and everyone ... you know, i'm sorry it's over! ... but think of ...

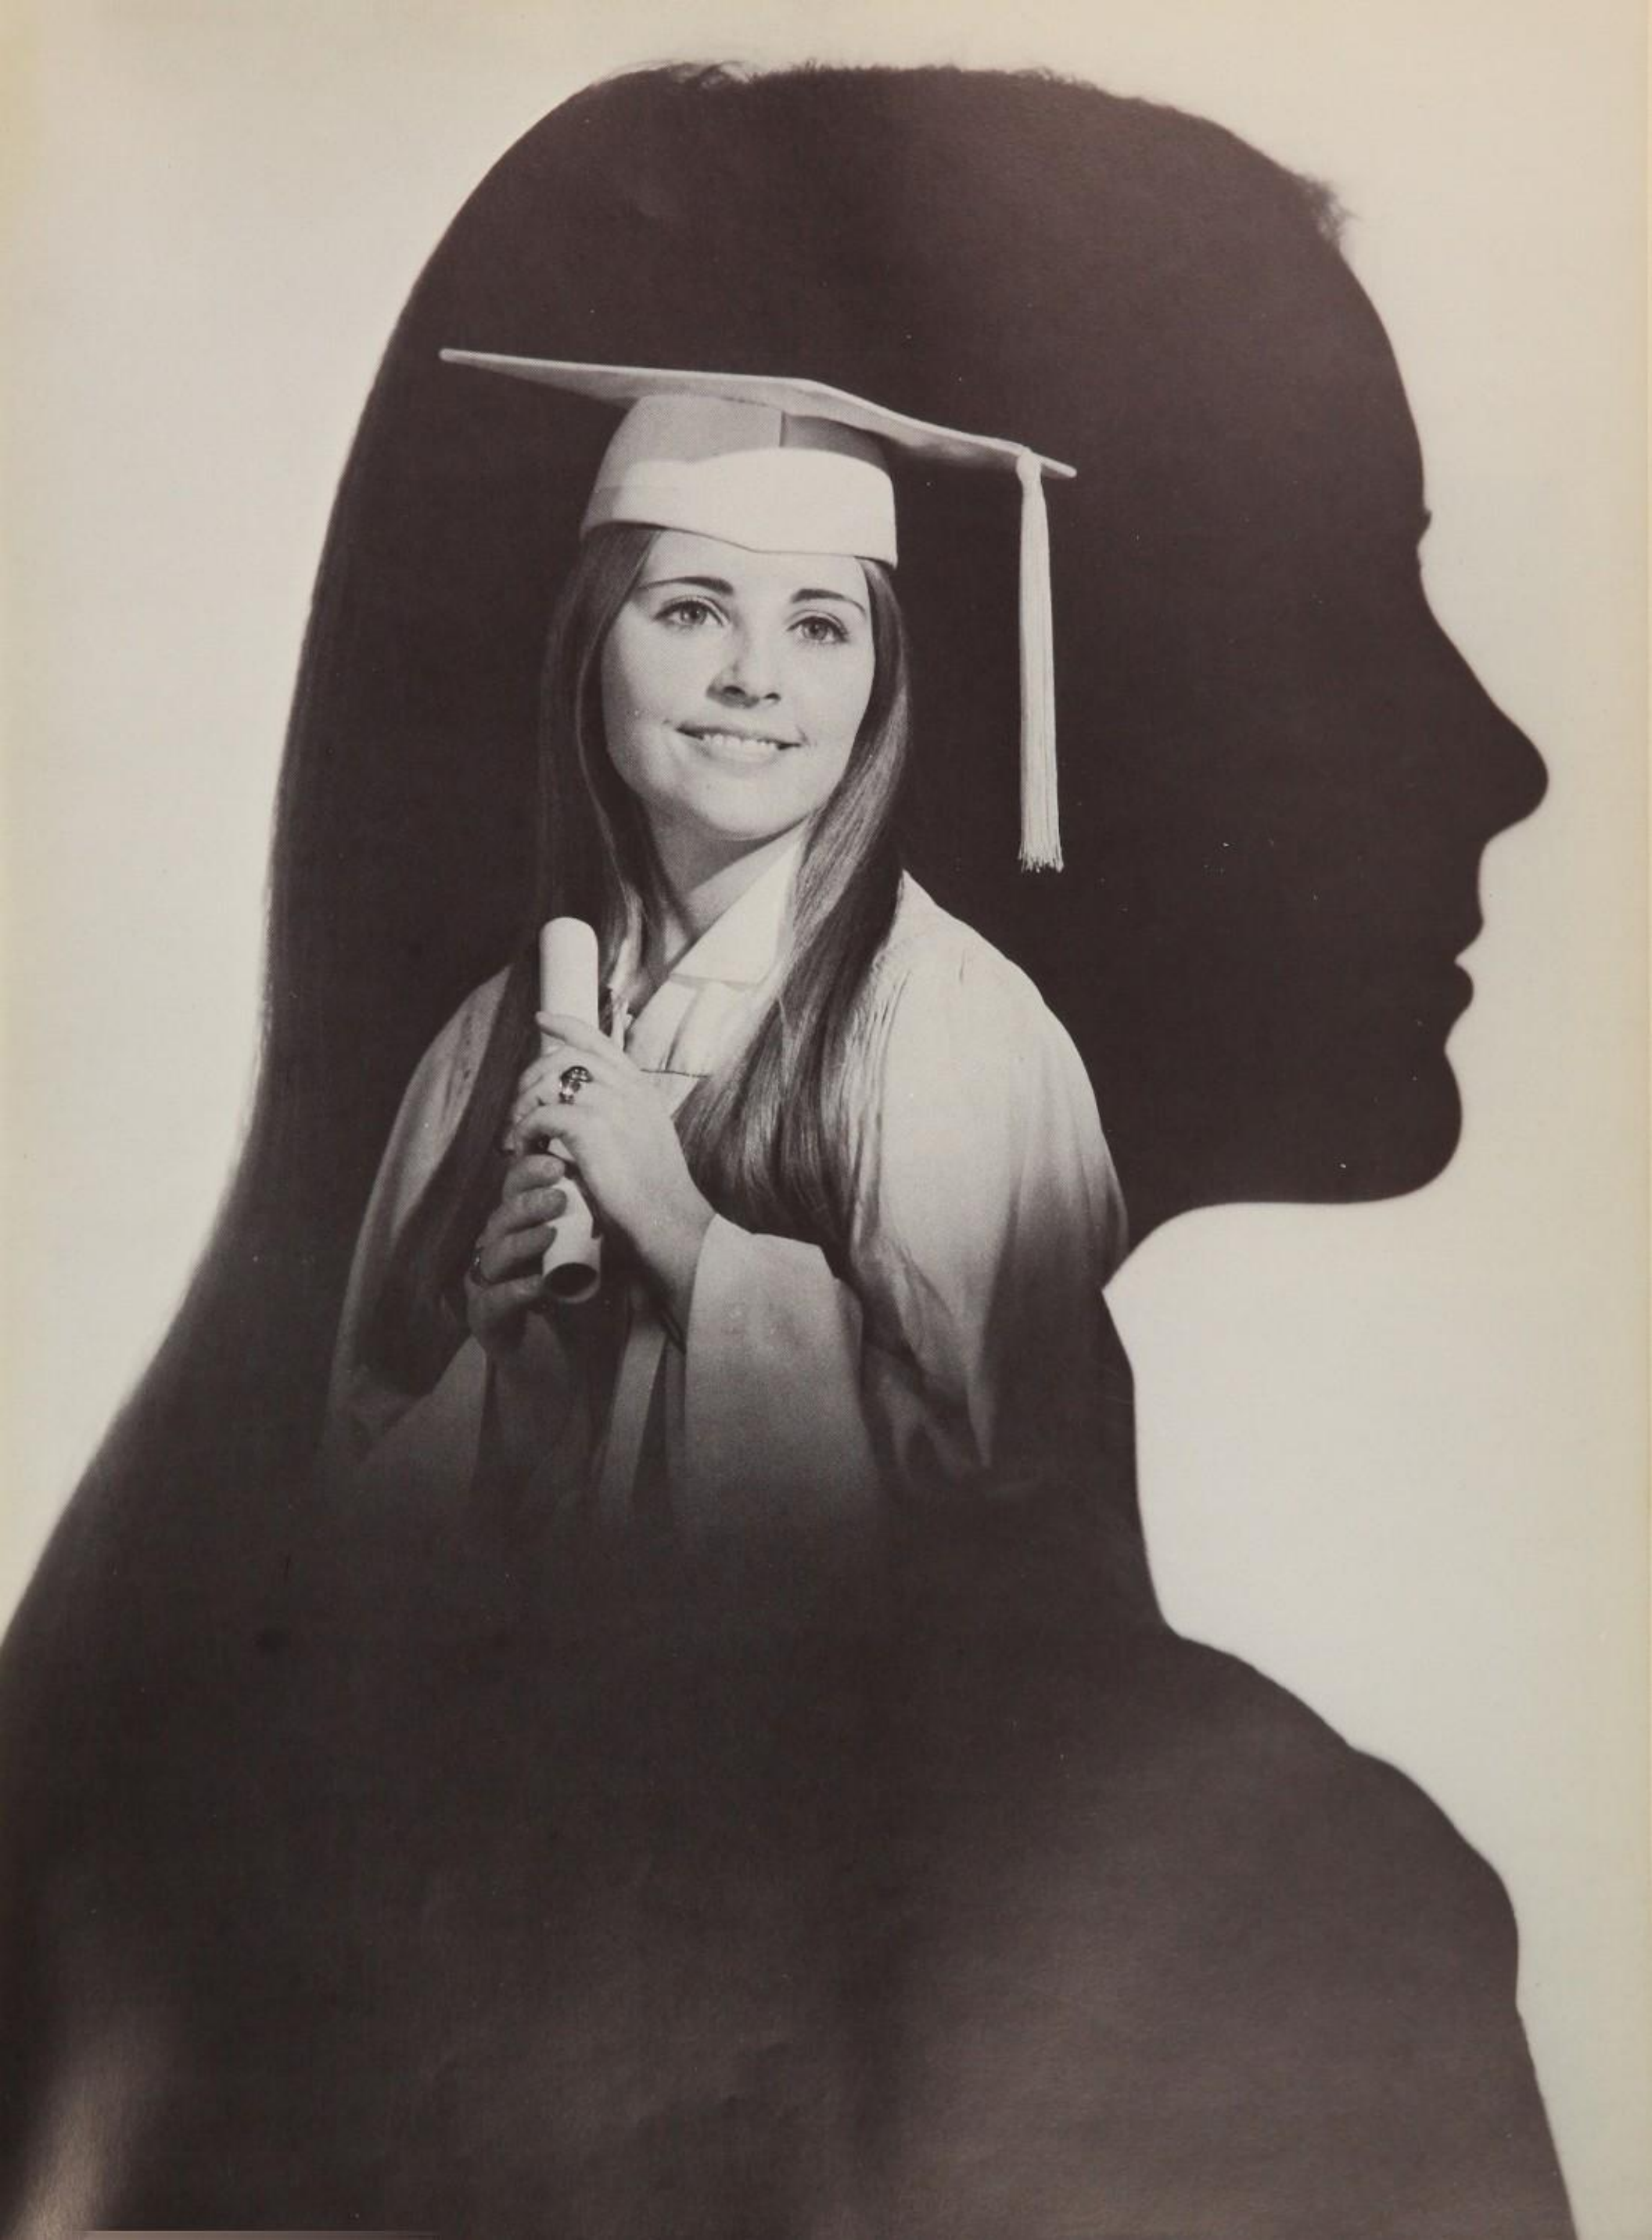

the future . . .
